LETTER OF RECOMMENDATION

To Whom It May Concern,

We would like to put on record our appreciation for support we receive from ARO Logistics in terms of logistics services and distribution of our products in Poland.

ARO Logistics supports us in activities such as printing labels, labelling our products,, creating product samples and shipping our orders to our customers in Poland.

In addition to this co-packing processes, ARO Logistics supports us with providing advices and solutions for incidental needs related to packaging products for various types of actions or other marketing events.

We appreciate the professionalism, flexibility, openness and reliability of the services we get from ARO Logistics. All of our orders are delivered on time and with highest quality. Therefore, we recommend ARO Logistics as a reliable supplier of co-packing, logistics and distribution services.
