Reference for the co-packing company

We wholeheartedly recommend **ARO Logistics** as a reliable partner in the field of co-packing services. Since the beginning of our cooperation, the company has demonstrated professionalism and high quality in the services provided.

ARO Logistics handles the unloading of deliveries, repacking, and labeling of goods for us. The labels are printed both in Polish and other languages, fully meeting our market requirements and needs. Importantly, the company also prints SSCC labels on cardboard packaging and pallets, in compliance with the requirements of retail networks, which is a significant advantage for us.

The quality of services provided by **ARO Logistics** is excellent, and their adherence to deadlines is impeccable. The service prices are competitive, and working with the company has been entirely satisfactory.

Both communication with company representatives and the technical support are at the highest level. We are confident that **ARO Logistics** is a trustworthy partner who effectively supports our business.

We confidently recommend **ARO Logistics** to anyone looking for a reliable co-packing service provider in Poland.

Sincerely,
Adopt Parfums
